

PUMP CENTRE

YOUNG ENGINEER AWARDS 2023

NOMINATION FORM

Notes

1. Please refer to the 'Young Engineers 2023 Nomination Form Guidance Notes v3.' before completing this form. This contains important information.
2. **Only this 2023 PDF version of the nomination form will be accepted.** Previous 'Word' versions of the form will not be accepted.
3. Marks are awarded for the answer to every question in this form, so **please ensure that all questions are answered.**
4. The text entry boxes will allow either single or multiple line entries. For multiple line entries, the text is restricted to approximately 400 words.
5. Photographs or diagrams may be submitted in a separate file. Each should have a self-explanatory title and be referred to in the answers below. Additional text will not be accepted.
6. Please save the completed nomination form with the nominee's name as part of the file name.
7. This form must be completed and returned to john.howarth@arcadis.com on or before **Friday 23rd December 2022**. Please note that late applications may not be accepted.
8. By entering the Young Engineer Awards a candidate is agreeing to allow the Pump Centre to use their name, their image and presentation material for the promotion of the Pump Centre and the Young Engineer Awards.
9. All items are subject to variation and the Pump Centre's decision on all matters relating to the Pump Centre Young Engineers Award 2023 is final.
